Dear [Recipient's Name],

I am writing to propose an International Trade Agreement focused on the protection of intellectual property rights between our respective countries/organizations. As you are aware, the rapid advancement of technology and increased cross-border trade calls for robust measures to safeguard creative works, inventions, and trademarks.

The main objectives of this proposed agreement are as follows:

- Establish comprehensive standards for intellectual property protection.
- Enhance cooperation and collaboration in the enforcement of IP rights.
- Facilitate knowledge exchange and capacity building in IP matters.
- Encourage innovation and investment in both markets.

I believe that this agreement will not only strengthen our economic ties but also foster an environment conducive to creativity and innovation. I would appreciate the opportunity to discuss this proposal further at your earliest convenience.

Thank you for considering this important matter. I look forward to your response.

Sincerely,
