

Visitation Schedule Proposal

Date: [Insert Date]

Dear [Co-Parent's Name],

I hope this message finds you well. As we continue to work together to co-parent [Child's Name], I would like to propose a visitation schedule that I believe will be in the best interest of [him/her/them].

Proposed Visitation Schedule

- **Weekdays:** [Insert proposed days and times]
- **Weekends:** [Insert proposed days and times]
- **Holidays:** [Insert proposed holiday arrangement]

I believe this schedule allows for [Child's Name] to spend quality time with both of us while also maintaining stability in their life. Of course, I am open to discussing any adjustments you may feel necessary.

Thank you for considering this proposal. I look forward to your feedback.

Best regards,
