## **Subject: Request for Negligence Liability Waiver**

Dear [Principal's Name or Relevant Authority],

I am writing to formally request a negligence liability waiver for my child, [Child's Name], who is participating in the upcoming field trip to [Destination] on [Date].

As a guardian, I understand the inherent risks associated with school-sponsored activities. I acknowledge that while precautions are taken, accidents can occur, leading to potential injuries. Therefore, I am requesting that the school provide a waiver to relieve it of liability in the event of an unforeseen incident.

Furthermore, I affirm that my child is in good health and capable of participating in all planned activities during the trip. I understand that it is my responsibility to ensure my child adheres to the safety guidelines put forth by the school and the activity organizers.

Thank you for your attention to this matter. Please let me know if you require any additional information or documentation.

Sincerely,

[Your Name]

[Relationship to Child]
