Dear [Recipient's Name],

I am writing to formally demand equal housing services based on the provisions set forth by the Fair Housing Act. On [specific date(s)], I encountered instances that reflect discrimination in housing service provision, which contravenes my rights as a tenant and a citizen.

Specifically, [describe the specific incidents of discrimination or unequal treatment, referencing dates, locations, and any relevant communication with the housing provider]. These actions have not only caused undue stress but have also hindered my ability to secure stable and equitable housing.

In accordance with federal and state laws, I request the following actions to rectify this situation:

- Immediate cessation of discriminatory practices.
- A review of housing service policies to ensure compliance with equal housing laws.
- Appropriate compensation for damages incurred due to this discrimination.

Please respond to this demand by [specific deadline for response], as I am prepared to take further legal action should this matter remain unresolved. I believe in the importance of fairness and equality in housing services and hope to resolve this matter amicably.

Thank you for your attention to this serious matter.

Sincerely,
