

Request for Scholarship Reference

Dear [Professor/Dr. Last Name],

I hope this message finds you well. I am writing to formally request your support in providing a reference for my application for the [Name of Scholarship], which focuses on advancing students in STEM fields.

As you know, I have been pursuing my [Degree] in [Field of Study] at [University/College], and I believe this scholarship will significantly aid in my academic and professional development. The selection committee is particularly looking for references that can speak to my skills in [specific skills or experiences related to STEM], as well as my commitment to [any relevant values or goals].

Given our prior work together on [specific project, course, or research], I feel you could provide valuable insight into my abilities and aspirations. The deadline for submission is [Date], and the reference can be submitted directly online at [provide link or submission details].

Thank you very much for considering my request. I greatly appreciate your support and guidance throughout my academic journey.

Best regards,
