# Reference Request

Dear [Instructor's Name],

I hope this message finds you well. I am writing to kindly request a reference letter from you for my portfolio as I pursue new opportunities in the tech industry.

During my time at [Bootcamp Name], I greatly appreciated your guidance and support, which played a crucial role in my development as a coder. I believe that a reference from you would highlight my skills and contributions effectively.

If you agree, I would be more than happy to provide any details about the projects I worked on or specific skills I would like you to mention.

Thank you for considering my request. I look forward to your positive response.

Sincerely,
[Your Name]
