Reference Request for Technical Assessment

Dear [Recipient's Name],

I hope this message finds you well. I am reaching out to request your assistance in providing a reference for me as part of my technical assessment process for a coding bootcamp I am applying to.

During my time at [Previous Company/Project/Program], I had the pleasure of working with you on [specific project or task]. I believe your insights into my skills and contributions would greatly enhance my application.

If you are willing, the bootcamp may contact you to discuss my technical abilities and teamwork skills. Your support would mean a lot to me as I embark on this new learning journey.

Thank you very much for considering my request. Please let me know if you need any additional information or if there is anything I can provide to make this process easier for you.

Best regards,
