

Reference Request for Seasonal Job

Dear [Recipient's Name],

I hope this message finds you well. I am writing to kindly request a reference from you regarding my application for a seasonal position at [Company Name]. I have recently applied for a retail role and believe that your insights into my work ethic and skills would greatly enhance my application.

During my time working at [Previous Company/Job Title], I developed strong customer service skills and the ability to thrive in fast-paced environments, which I believe align well with the demands of this retail position.

If you are able to assist me by providing a reference, I would be very grateful. Please let me know if you need any additional information or if there are specific details you would like me to provide.

Thank you very much for considering my request. I truly appreciate your support.

Sincerely,
[Your Name]
