

# Summer Camp Reference Request

Date: [Insert Date]

Dear [Reference's Name],

I hope this message finds you well. I am writing to request your support in providing a reference for my application to [Camp Name], a sports-focused summer camp that emphasizes teamwork, skill development, and a love for sports.

As you know, I have a passion for [specific sport or sports], and I believe that attending this camp will help me grow as an athlete and as a person. Your perspective on my abilities and dedication would be invaluable to my application.

If you are willing to provide a reference, the camp will likely reach out to you directly with a few questions about my character and athleticism. You can find more information about the camp at [Camp Website].

Thank you very much for considering my request. I truly appreciate your help and support.

Sincerely,

[Your Name]
