Dear [Recipient's Name],

I am writing to propose a funding partnership for our scholarship program aimed at supporting underprivileged students in [specific field or location]. Our organization, [Your Organization's Name], is committed to providing educational opportunities to those who would otherwise be unable to afford them.

In the past year, we have successfully awarded [number] scholarships totaling [amount]. We believe that by expanding our funding sources, we can increase the number of students we support and help them achieve their academic and career goals.

We are seeking [specific amount] to support our ongoing scholarship initiatives. This funding will directly impact the lives of students by covering tuition, books, and other educational expenses.

We would be grateful for the opportunity to discuss this proposal further and explore ways in which we can collaborate to make a difference in our community.

Thank you for considering our request. I look forward to your positive response.

Sincerely,

[Your Name]
