Dear [Foundation Contact Name],

We are writing to seek funding for our annual Science Fair, scheduled to take place on [date] at [location]. As a nonprofit organization dedicated to promoting STEM education among students in our community, we believe that this event will inspire and engage learners to explore scientific inquiry and innovation.

This year, we expect to host over [number] participants from various schools and provide them with an opportunity to showcase their projects. We aim to encourage teamwork, critical thinking, and creative problem-solving. However, to realize this vision, we are seeking a grant of [amount] to cover the costs of materials, venue rental, and awards for the participants.

Your support will not only help us organize a successful event but also foster a passion for science in the youth of our community. We are committed to making this Science Fair an enriching experience for all involved, and we hope to partner with [Foundation Name] to achieve this goal.

Thank you for considering our application. We would be happy to discuss our project in further detail and explore how we can work together to inspire the next generation of scientists. We look forward to your positive response.

Sincerely,  
[Your Name]
