Dear [Grant Provider's Name],

I am writing on behalf of [Your Organization/Group Name] to apply for funding to establish a community garden in [Location]. Our aim is to promote sustainability, community engagement, and access to fresh produce.

The proposed garden will not only enhance the beauty of our neighborhood but also provide educational opportunities for locals through gardening workshops and healthy living initiatives. We estimate that the garden will serve approximately [number] residents and involve [number] volunteers from the community.

We are requesting a grant of [amount] to cover the initial setup costs, including soil, seeds, tools, and educational materials.

Thank you for considering our application. We are excited about the prospect of partnering with [Grant Provider's Organization] to make this project a reality.

Sincerely,

[Your Name]
