Dear Hiring Manager,

I am writing to express my interest in the internship position at XYZ Aerospace Company, as advertised on your website. I am currently a junior studying Aerospace Engineering at ABC University, where I have developed a solid foundation in aerodynamics, propulsion, and structural analysis.

Through my academic projects and hands-on experience, I have gained proficiency in using CAD software, conducting simulations, and working collaboratively in teams. I am eager to apply my skills and knowledge at XYZ Aerospace Company, contributing to innovative projects while gaining invaluable industry experience.

I am particularly drawn to your company's commitment to sustainable aviation technologies and would be thrilled to contribute to your ongoing projects. Enclosed is my resume for your review. I am looking forward to the possibility of discussing my application further.

Thank you for considering my application. I hope to hear from you soon.

Sincerely,
John Doe
