Dear [Recipient Name],

I am writing to express my interest in the internship position at [Company Name] as advertised on [where you found the position]. As an enthusiastic environmental engineering student at [Your University], I am eager to apply my academic knowledge in a practical setting and contribute to your organization's goals.

During my studies, I have gained a strong foundation in environmental science, sustainable practices, and engineering principles. My coursework, combined with my passion for environmental protection and sustainability, has equipped me with the relevant skills for this internship. I have also participated in various projects, including [mention any relevant projects or experiences], which allowed me to develop my analytical and problem-solving abilities.

I am particularly impressed by [Company Name]'s commitment to [specific aspect of the company related to environmental engineering], and I am excited about the opportunity to work alongside your dedicated team. I am confident that my proactive approach and ability to collaborate will make a positive impact during my internship.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy further and how I can contribute to [Company Name].

Sincerely,

[Your Name]
