Dear [Recipient's Name],

I am writing to express my interest in the internship position in mechanical engineering at [Company's Name], as advertised on [where you found the listing]. I am currently pursuing a Bachelor's degree in Mechanical Engineering at [Your University] and believe that an internship with your esteemed company would provide me with invaluable experience in the field.

Through my coursework and hands-on projects, I have developed a solid foundation in engineering principles, CAD software, and problem-solving techniques. I am particularly drawn to [specific aspect of the company or projects they're involved in], and I am eager to contribute to such innovative work while learning from your talented team.

I am a motivated and detail-oriented individual. I am confident that my technical skills and enthusiasm for mechanical engineering will allow me to make a positive contribution to your team. I have attached my resume for your review and would appreciate the opportunity to discuss how I can support your projects further.

Thank you for considering my application. I look forward to the possibility of contributing to [Company's Name] as an intern and am available for an interview at your earliest convenience.

Sincerely,  
John Doe
