Dear [Hiring Manager's Name],

I am writing to apply for the Software Engineering Internship position at [Company's Name] as advertised on [where you found the internship posting]. I am currently a [your year, e.g., sophomore] majoring in Software Engineering at [Your University]. I am eager to gain hands-on experience and contribute to your team while enhancing my skill set.

During my studies, I have developed a solid understanding of programming languages such as [list relevant languages], and I have also completed projects involving [mention relevant technologies or methodologies]. My coursework has equipped me with a strong foundation in software development principles, and I am confident in my ability to learn quickly and apply my knowledge effectively.

I am particularly drawn to [Company's Name] because of [mention something specific about the company or its projects], and I believe that my skills in [mention relevant skills] would make me a valuable addition to your team. I am excited about the opportunity to work on real-world projects and collaborate with experienced professionals.

Thank you for considering my application. I have attached my resume for your review and would appreciate the opportunity to discuss my application further. I look forward to the possibility of contributing to your team at [Company's Name].

Sincerely,

[Your Name]
