Dear Hiring Manager,

I am writing to apply for the Marketing Internship position at XYZ Company, as advertised on your careers page. As a marketing student at ABC University, I have developed a strong foundation in marketing principles and am eager to apply my knowledge in a practical setting.

During my studies, I have successfully completed coursework in digital marketing, consumer behavior, and market research. Additionally, I have gained hands-on experience through managing social media campaigns for a student organization, where I increased engagement by 30% over three months. I am particularly drawn to XYZ Company because of your innovative marketing strategies and commitment to sustainability.

I am enthusiastic about the opportunity to contribute to your team and learn from industry professionals. I am a fast learner, detail-oriented, and possess excellent communication skills, which I believe will make me a valuable asset to your marketing department.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the team at XYZ Company. Please find my resume attached for further details about my education and experience.

Sincerely,

John Doe
