Dear Hiring Manager,

I am writing to express my interest in the Machine Learning Internship position at ABC Company as advertised on your careers page. I am currently pursuing a Bachelor's degree in Computer Science at XYZ University, where I have developed a strong foundation in machine learning, data analysis, and programming.

During my coursework, I have gained hands-on experience with libraries such as TensorFlow and scikit-learn, and I have successfully completed projects involving predictive modeling and natural language processing. I am particularly drawn to this internship because of ABC Company's commitment to innovation and its impactful work in machine learning applications.

I am eager to contribute my skills and enthusiasm to your team and learn from industry experts. I believe this opportunity will be invaluable in enhancing my knowledge and experience in the field.

Thank you for considering my application. I look forward to the possibility of discussing my application with you further.

Sincerely,

John Doe
