Dear Hiring Manager,

I am writing to express my interest in the Financial Analyst Internship position at ABC Financial Services as advertised on your website. As a recent graduate with a Bachelor's degree in Finance from XYZ University, I am eager to leverage my analytical skills and academic knowledge to contribute to your dynamic team.

During my time at university, I completed coursework in financial analysis, investment strategies, and corporate finance. I also excelled in a project where my team evaluated stock performance and presented investment recommendations based on comprehensive market research.

I am particularly drawn to this internship because of ABC Financial Services' commitment to innovative financial solutions and exceptional client service. I am excited about the opportunity to learn from your experienced team while applying my knowledge in a practical setting.

I have attached my resume for your consideration. I would appreciate the opportunity to discuss my application further and am available for an interview at your convenience. Thank you for considering my application. I look forward to the opportunity to contribute to your team.

Sincerely,
John Doe
