Dear [Recipient's Name],

I am writing to express my interest in the Financial Analyst internship position at [Company's Name] as advertised on [where you found the internship]. I am currently pursuing a degree in Finance at [Your University] and am eager to apply my academic knowledge in a practical, hands-on environment.

Throughout my academic career, I have worked on numerous group projects that required strong teamwork and communication skills. In one notable project, I collaborated with a team of five students to analyze the financial statements of a local business, focusing on budgeting and forecast modeling. Through our collective efforts, we were able to present a comprehensive analysis that not only met academic standards but also provided valuable insights for our client.

My ability to work well in teams is complemented by my analytical skills and attention to detail, which I believe are crucial for a successful financial analyst. I am excited about the opportunity to contribute to [Company's Name] and learn from the talented professionals within your team.

Thank you for considering my application. I look forward to the possibility of discussing my application further and how I can contribute to your team.

Sincerely,

[Your Name]
