Dear [Recipient's Name],

I am writing to express my interest in the Climate Change Analyst internship position at [Company/Organization Name], as advertised on [Where You Found the Listing]. With a strong academic background in environmental sciences and a passion for sustainability, I am eager to contribute to your team and learn from your expertise in climate change analysis.

During my studies at [Your University], I have developed a solid foundation in climate data analysis and environmental policy. My coursework included [relevant courses or projects], where I researched [specific topics] and honed my analytical skills. I am proficient in [relevant tools or software], which I believe will be beneficial in supporting your ongoing projects.

Furthermore, I have [any relevant experience, such as internships, volunteer work, or projects], which has equipped me with practical insights into climate-related challenges and solutions. I am particularly inspired by [any specific projects or values of the company], and I am excited about the opportunity to contribute to this important work.

Thank you for considering my application. I am looking forward to the possibility of discussing how I can contribute to the team at [Company/Organization Name]. Please find my resume attached for your review.

Sincerely,

[Your Name]
