Dear [Recipient Name],

I am writing to express my interest in the internship position at [Organization Name] as advertised on [Where You Found the Internship]. As a passionate conservation biology enthusiast with a strong academic background in environmental science, I am excited about the opportunity to contribute to your team.

Currently, I am pursuing a [Your Degree] at [Your University], where I have developed skills in ecological research, data analysis, and fieldwork techniques. My coursework has equipped me with a solid understanding of conservation principles, habitat restoration, and biodiversity management.

I have previously volunteered with [Previous Experience or Volunteer Work Related to Conservation], where I had the chance to [Briefly Describe What You Did]. This experience further fueled my motivation to work towards the conservation of natural ecosystems.

I am particularly drawn to [Organization Name] because of [Reason You Admire the Organization or Its Projects]. I am eager to learn from your team and contribute to your ongoing projects aimed at [Specific Goals or Projects of the Organization].

Thank you for considering my application. I am looking forward to the opportunity to discuss my suitability for this internship in further detail. Please find my resume attached for more information about my background.

Sincerely,

[Your Name]
