Dear Hiring Manager,

I am writing to express my interest in the internship position in ecological restoration as advertised on your website. I am currently a graduate student pursuing a degree in Environmental Science with a focus on ecological restoration at Ecotown University.

My academic background and hands-on experience in fieldwork and environmental assessment have equipped me with the necessary skills to contribute positively to your team. I am particularly drawn to your company's commitment to sustainable restoration practices, and I am eager to apply my knowledge in a practical setting.

I have attached my resume for your review, which highlights my academic achievements and relevant experience. I would be thrilled to discuss how my background, skills, and enthusiasms align with the goals of Eco Restoration Company.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy further.

Sincerely,
John Doe
