[City, State ZIP Code]

Dear [Recipient's Name],

I am writing to express my interest in the engineering internship position focused on design at [Company's Name], as advertised on [where you found the internship]. As a passionate engineering student at [Your University], I have a strong foundation in design principles and a keen ability to apply innovative thinking in practical applications.

During my studies, I have developed skills in [mention specific skills relevant to design, e.g., SolidWorks, AutoCAD, etc.]. My recent project on [briefly describe a relevant project or experience] has equipped me with a hands-on understanding of the design process, from conceptualization to implementation.

I am particularly drawn to the work done by [Company's Name] in [mention a specific project or aspect of their work related to design]. I admire your commitment to [mention any known values or missions of the company], and I am eager to contribute to your innovative projects while further honing my skills in a professional environment.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team while gaining invaluable experience. Please find my resume attached.

Sincerely,

John Doe
