Dear Hiring Manager,

I am writing to express my interest in the remote mechanical engineering internship position at XYZ Engineering Solutions, as advertised on your website. I am currently a junior pursuing a Bachelor's degree in Mechanical Engineering at Anytown University, and I am eager to apply my skills and knowledge in a practical setting.

Throughout my academic career, I have developed a strong foundation in principles such as thermodynamics, fluid mechanics, and materials science. Additionally, my hands-on experience with CAD software and robotics projects has equipped me with the technical abilities necessary for this internship. I am particularly drawn to XYZ Engineering Solutions due to your commitment to innovation and sustainability in engineering practices.

I am a highly motivated individual with excellent problem-solving skills and a keen eye for detail. I am confident that my background and enthusiasm will allow me to contribute effectively to your team. I am looking forward to the opportunity to learn and grow while assisting with ongoing projects.

Thank you for considering my application. I hope to discuss my suitability for this role in an interview. I am available at your convenience and can be reached via email or phone.

Sincerely,

John Doe
