Dear [Employer's Name],

I am writing to express my interest in the internship position at [Company/Organization Name] as advertised on [where you found the internship listing]. As a high school student passionate about environmental science, I am eager to gain practical experience and contribute to meaningful projects that protect our planet.

Throughout my academic career, I have consistently pursued opportunities to deepen my understanding of environmental issues. I actively participate in my school's Environmental Club, where I have led initiatives such as [briefly describe any relevant projects or accomplishments]. Additionally, I have completed coursework in biology and chemistry that has provided me with a solid foundation in scientific principles.

I am particularly impressed by [mention something specific about the company or its projects] and am excited about the possibility of contributing to such innovative efforts. I believe that my strong work ethic, enthusiasm, and commitment to sustainability would make me a valuable addition to your team.

Thank you for considering my application. I hope to discuss how I can assist your organization and further my knowledge in environmental science during an interview. I am looking forward to the opportunity to learn and contribute.

Sincerely,
