Dear Hiring Manager,

I am writing to express my interest in the Software Testing internship position at XYZ Company, as advertised on your careers page. With a background in computer science and a deep passion for quality assurance, I am eager to contribute my skills and learn from your esteemed team.

Throughout my academic career, I have gained substantial knowledge of software development methodologies and testing techniques. I completed courses in Software Testing and Quality Assurance, where I learned about various testing frameworks including Selenium and JUnit. My hands-on project experience involved developing test plans, executing test cases, and identifying defects, which honed my analytical and problem-solving abilities.

I am particularly impressed by XYZ Company's commitment to delivering high-quality software products. I admire your focus on user experience and performance, and I am excited about the opportunity to work alongside professionals who are equally passionate about improving product quality.

I am highly motivated, detail-oriented, and eager to learn. I believe my proactive approach and strong work ethic would make me a valuable addition to your team. Enclosed is my resume for your consideration. I hope to have the opportunity to discuss my application with you further.

Thank you for considering my application. I look forward to the possibility of contributing to the success of XYZ Company.

Sincerely,

John Doe
