## **Subject: Application for Full-Stack Development Internship**

Dear [Recipient's Name],

I am writing to express my interest in the Full-Stack Development Internship position at [Company's Name] as advertised on [where you found the job posting]. I am currently pursuing a [Degree Name] at [Your University] and have gained substantial experience in both front-end and back-end development through various coursework and projects.

During my studies, I have developed proficiency in technologies such as HTML, CSS, JavaScript, as well as back-end frameworks like Node.js and Express. I have also worked with databases such as MongoDB and SQL, which have equipped me with the skills necessary to manage and manipulate data effectively.

I am particularly drawn to [Company's Name] because of [specific reason related to the company or its projects]. I am eager to contribute my skills while also learning from the talented team at your company.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team while furthering my development skills. I am available for an interview at your earliest convenience.

Sincerely,

[Your Name]
