Dear Hiring Manager,

I am writing to express my interest in the Mobile App Development internship position at ABC Company as advertised on your careers page. I am currently pursuing a degree in Computer Science at XYZ University and am eager to apply my skills in a practical setting.

During my coursework, I have developed a solid foundation in programming languages such as Java and Swift. I have also worked on several personal projects, including a weather application and a to-do list manager, which have allowed me to hone my skills in user interface design and functionality.

I am particularly drawn to ABC Company because of your commitment to innovation and quality in mobile applications. I am excited about the opportunity to contribute to your team and learn from experienced developers.

Enclosed is my resume for your review. I would appreciate the chance to discuss my application further and am available at your convenience for an interview. Thank you for considering my application. I look forward to the possibility of working with you.

Sincerely,
John Doe
