Hiring Manager

ABC Engineering Firm
456 Industry Road
City, State, ZIP Code

Dear Hiring Manager,

I am writing to express my interest in the Civil Engineering Internship position at ABC Engineering Firm as advertised on your careers page. I am currently a third-year civil engineering student at XYZ University, where I have developed a strong foundation in engineering principles, and I am eager to apply my skills in a real-world setting.

Through my academic projects, I have gained hands-on experience in project design, surveying, and structural analysis. My recent project involved designing a sustainable drainage system, where I collaborated with a team to ensure optimal performance while adhering to environmental regulations.

I am particularly impressed by ABC Engineering Firm's commitment to innovative solutions and sustainability. I am excited about the opportunity to contribute to your projects while furthering my understanding of civil engineering practices. I am proficient in software tools such as AutoCAD and Civil 3D, which I believe will be an asset to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to ABC Engineering Firm. I have attached my resume for your review. Please feel free to contact me at your earliest convenience.

Sincerely,
John Doe
