Dear [Recipient's Name],

I am writing to express my interest in the Civil Engineering Research Internship position at [Company/Organization Name] as advertised [mention where you found the internship posting]. As a [Your Year, e.g., Junior] majoring in Civil Engineering at [Your University], I am eager to apply my academic knowledge and gain hands-on experience in the field.

During my studies, I have developed a strong foundation in areas such as structural analysis, geotechnical engineering, and sustainable design. Additionally, I have completed projects that involved [briefly mention relevant projects or experience]. I am particularly drawn to [specific aspect of the company/organization or project relevant to your interests].

I believe that this internship would provide an invaluable opportunity to enhance my skills and contribute to ongoing research initiatives at [Company/Organization Name]. I am excited about the possibility of working with your team to [mention specific goals or contributions you hope to achieve].

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further. I am available for an interview at your earliest convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,
[Your Name]
