Dear [Recipient's Name],

I am writing to express my interest in the Summer Civil Engineering Internship position at [Company's Name] as advertised on [where you found the internship listing]. Currently, I am a [Your Year, e.g., sophomore] majoring in Civil Engineering at [Your University], and I am eager to apply my academic knowledge in a real-world engineering environment.

During my studies, I have gained a solid foundation in various civil engineering principles, including structural analysis, fluid mechanics, and material science. I have also completed coursework in [specific relevant courses], which I believe has prepared me well for this internship. Furthermore, my experience with [any relevant projects or software, e.g., AutoCAD, MATLAB] has honed my technical skills and problem-solving abilities.

I am particularly drawn to [Company's Name] because of [specific reason related to the company, e.g., its commitment to sustainable infrastructure, specific projects, or its reputation in the industry]. I am excited about the opportunity to contribute to [mention any specific project or goal of the company] and learn from your esteemed team of professionals.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team during this upcoming summer. I have attached my resume for your review.

Sincerely,

[Your Name]
