Dear Hiring Manager,

I am writing to express my interest in the Data Science Internship position at [Company Name] as advertised on [where you found the job listing]. With a solid foundation in data analysis, machine learning, and statistical modeling, I am eager to contribute my skills and enthusiasm to your team.

Currently, I am a [Your Year, e.g., junior] at [Your University], majoring in [Your Major]. My coursework has provided me with strong analytical skills and practical experience in [specific technologies or tools, e.g., Python, R, SQL, TensorFlow]. I have also completed projects where I [briefly describe a relevant project or experience], which honed my ability to derive insights from complex data sets.

I am particularly drawn to this internship at [Company Name] because of [specific reasons related to the company or projects]. I am excited about the opportunity to work with [mention any specific teams or technologies mentioned in the job description], and I am confident that my background in [specific area or skill] aligns well with the innovative work being done at your company.

Thank you for considering my application. I would love the opportunity to discuss how my skills and interests align with the goals of [Company Name]. I am available for an interview at your convenience and can be reached by phone at [Your Phone Number] or by email at [Your Email].

Sincerely,
Your Name
