Dear [Hiring Manager's Name],

I am writing to express my interest in the remote data science internship position at [Company's Name] as advertised on [where you found the job listing]. With a background in data analysis, programming, and machine learning, I am excited about the opportunity to contribute to your team and further develop my skills in a practical environment.

I am currently pursuing a degree in [Your Degree] at [Your University] and have gained hands-on experience through coursework and personal projects. I am proficient in Python, R, and SQL, and have utilized these tools to analyze datasets, create visualizations, and develop predictive models. My recent project involved [briefly describe a relevant project], which enhanced my understanding of [relevant skill or concept].

I am particularly drawn to this internship at [Company's Name] because of [mention something specific about the company or its projects that interests you]. I believe that my analytical mindset and passion for data-driven decision-making align well with your team's goals.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and passions align with the needs of your team. Please find my resume attached for more details on my background.

Sincerely,
[Your Name]
