Dear [Recipient's Name],

I am writing to express my interest in the Data Science Internship position at [Company's Name] as advertised on [where you found the job posting]. As a business major at [Your University], I have developed a strong foundation in data analysis and analytics, which I believe aligns well with the requirements of this role.

During my studies, I have successfully completed courses in statistics, data visualization, and predictive modeling, enabling me to analyze complex datasets and derive actionable insights. I have also gained hands-on experience with tools such as Excel, R, and Python through academic projects and coursework.

I am particularly drawn to [Company's Name] because of [specific reason related to the company or its projects]. I am eager to contribute to your team and leverage my skills to add value to your data-driven initiatives.

I look forward to the opportunity to discuss how my background, skills, and enthusiasm for data science can contribute to the exciting projects at [Company's Name]. Thank you for considering my application.

Sincerely,

[Your Name]
