Dear [Employer's Name],

I am writing to express my interest in the Data Science Internship position at [Company Name] as advertised on [where you found the job listing]. I recently graduated from [Your University] with a degree in [Your Major] and have a strong foundation in data analysis, machine learning, and statistical modeling.

During my academic career, I completed several projects that involved data cleaning, visualization, and predictive modeling using tools such as Python, R, and SQL. I am particularly drawn to [specific aspect of the company or position] and believe that my skill set aligns well with the goals of your team.

I am eager to bring my passion for data-driven decision-making to [Company Name] and contribute to your innovative projects. I am confident that this internship would be a valuable opportunity for me to grow professionally while contributing positively to your team.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy further.

Sincerely,

John Doe
