Dear [Recipient's Name],

I am writing to express my interest in the summer internship program at [Company/Organization Name] as advertised on [where you found the internship]. I am a [your year, e.g., sophomore] chemistry student at [Your University] and am eager to apply my academic knowledge in a practical setting.

Throughout my studies, I have developed a solid foundation in chemistry, particularly in [specific areas of chemistry relevant to the internship]. I have also gained hands-on experience through [mention any relevant lab work, projects, or experience], which has further fueled my passion for the field.

I am particularly drawn to [Company/Organization Name] because of [specific reason related to the company or program]. I am excited about the opportunity to contribute to your team while gaining invaluable experience in [specific skills or areas of interest].

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team during the summer program. I have attached my resume for your review.

Sincerely,

[Your Name]
