Dear [Recipient's Name],

I am writing to express my interest in the biochemistry internship position at [Company's Name] as advertised on [where you found the internship]. I am currently a [Your Year, e.g., junior] majoring in Chemistry at [Your University], and I am eager to apply my academic knowledge in a practical setting.

Through my coursework, I have developed a strong understanding of biochemical processes, laboratory techniques, and analytical methods. My recent project on [briefly describe a relevant project or experience] allowed me to enhance my research skills and work collaboratively in a team environment.

Additionally, I have experience with [mention any relevant software, techniques, or equipment], which I believe will be beneficial for the objectives of your team. I am particularly drawn to [Company's Name] because of [mention specific reasons related to the company or its projects].

I am enthusiastic about the opportunity to contribute to your team and gain hands-on experience in biochemistry. I am confident that my motivation and background will make me a valuable addition to [Company's Name].

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you. Please find my resume attached for more details on my academic and extracurricular achievements.

Sincerely,  
[Your Name]
