Dear [Recipient's Name],

I am writing to express my interest in the internship position at [Company/Organization Name], as advertised [where you found the internship posting]. I am currently pursuing a degree in Chemistry at [University Name], and I believe that my academic background and laboratory skills make me a strong candidate for this role.

During my studies, I have gained hands-on experience in various laboratory techniques, including [specific techniques or skills relevant to the internship, e.g., chromatography, titration, spectroscopy]. I have successfully completed [relevant coursework or projects], which has enhanced my analytical and problem-solving abilities.

I am particularly drawn to [Company/Organization Name] because of [specific reason related to the company or their projects]. I am eager to contribute my skills and learn from your team while furthering my understanding of [specific area of interest within chemistry].

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team. I am available for an interview at your earliest convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,

[Your Name]
