Dear [Recipient's Name],

I am writing to express my interest in applying for a veterinary internship at [Veterinary Clinic/Hospital Name]. I am a dedicated high school student with a deep passion for animal care and welfare, and I am eager to gain hands-on experience in the veterinary field.

Throughout my studies at [Your School Name], I have taken courses in biology and animal science, which have reinforced my desire to pursue a career in veterinary medicine. Additionally, I have volunteered at [Any Relevant Experience or Program], where I learned valuable skills in animal handling and care.

I am particularly interested in [specific area of veterinary medicine or interest], and I believe that an internship at your clinic would provide me with the knowledge and experience necessary to further my understanding of this field. I am a quick learner, a team player, and I am committed to providing the highest level of care to animals.

Thank you for considering my application. I would be grateful for the opportunity to discuss how I can contribute to your team and learn from your expertise. I look forward to your response.

Sincerely,
