Dear [Recipient Name],

I am writing to express my interest in the Aerospace Engineering Manufacturing Internship at [Company Name] as advertised on [where you found the internship posting]. With a strong academic background in aerospace engineering and practical experience in manufacturing processes, I am excited about the opportunity to contribute to your team.

Currently, I am pursuing my degree in Aerospace Engineering at [Your University], where I have developed a solid foundation in aerodynamics, propulsion systems, and materials science. I have also completed coursework in manufacturing processes and systems, which has equipped me with the technical skills necessary for this internship.

I have completed a previous internship with [Previous Company Name], where I assisted in the design and production of [specific project or task]. This experience provided me with valuable insights into real-world manufacturing challenges and enhanced my problem-solving abilities.

I am particularly drawn to [Company Name] because of [specific reason related to the company or its projects]. I believe that my dedication, technical skills, and passion for aerospace engineering make me a perfect fit for your team.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further. I am available for an interview at your earliest convenience and can be reached at [Your Phone Number] or [Your Email].

Sincerely,

[Your Name]
