Dear Dr. Smith,

I am writing to express my interest in the internship opportunity within the Aerospace Engineering Research program at XYZ University, as advertised on your department's website. I am currently a third-year undergraduate student pursuing a Bachelor of Science in Aerospace Engineering at ABC University.

My academic background, combined with my hands-on experience in various engineering projects, has equipped me with a solid understanding of aerospace principles. I have a particular interest in fluid dynamics and propulsion systems and have completed relevant coursework which I believe would be beneficial for your research team.

I am eager to contribute my skills and learn from your esteemed team. I believe this internship will provide me with invaluable experience and knowledge in the aerospace field, which aligns perfectly with my career aspiration of becoming an aerospace engineer.

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you. I have attached my resume for your review.

Sincerely,

John Doe
