Dear Hiring Manager,

I am writing to express my interest in the Aerospace Engineering Technician internship position at [Company Name] as advertised on [Where You Found the Job Posting]. I am currently pursuing a degree in Aerospace Engineering at [Your University], and I am eager to apply my skills and knowledge in a practical, real-world environment.

Throughout my studies, I have gained a solid foundation in aerodynamics, propulsion systems, and materials science. My coursework has included hands-on projects where I collaborated with peers to design and analyze aerospace components. I am particularly drawn to [Specific Aspect of Aerospace Engineering], and I believe that my enthusiasm and background make me a suitable candidate for this internship.

I am proficient in CAD software and have a strong understanding of the design process, which I believe will be beneficial in contributing to your team. Additionally, my previous internship experience at [Previous Internship/Job] honed my technical skills and allowed me to work in a collaborative team environment, where I learned the importance of effective communication and problem-solving.

I am excited about the opportunity to work with [Company Name] and contribute to your innovative projects. I am eager to bring my knowledge, skills, and passion for aerospace engineering to your esteemed organization.

Thank you for considering my application. I look forward to the possibility of discussing my application with you in more detail. I am available for an interview at your earliest convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,
Your Name
