Dear [Recipient's Name],

I am writing to express my interest in the internship position at [Company's Name], as advertised on [where you found the internship listing]. I am currently pursuing a degree in Electrical Engineering with a focus on renewable energy at [Your University]. With a solid foundation in electrical systems and a passion for sustainable energy solutions, I am eager to contribute to your team.

Throughout my academic career, I have gained experience in various areas relevant to this internship, including solar panel design, energy management systems, and circuit analysis. I completed a project on [briefly describe a relevant project or experience], which enhanced my understanding of [related skills or knowledge]. I am particularly impressed by [mention a specific project or initiative by the company], and I am excited about the opportunity to work with a company that is at the forefront of renewable energy innovation.

I am confident that my dedication, technical skills, and enthusiasm for renewable energy will make a positive contribution to [Company's Name]. I look forward to the opportunity to further discuss how I can be an asset to your team. Thank you for considering my application. I hope to hear from you soon.

Sincerely,

[Your Name]
