Dear [Recipient's Name],

I am writing to express my interest in the internship position focused on Biotechnology Data Analysis at [Company/Organization Name], as advertised on [where you found the internship]. With a strong foundation in biotechnology and data analysis, I am eager to contribute my skills and learn from your esteemed team.

Currently, I am pursuing a [Your Degree] in [Your Major] at [Your University], where I have developed a solid understanding of both biotechnology principles and data analysis techniques. My coursework has provided me with extensive knowledge in bioinformatics, statistical analysis, and programming languages, including [mention relevant languages such as R, Python, etc.].

Through my academic and practical experiences, I have honed my ability to analyze complex datasets and derive meaningful insights that can drive research and development efforts. I am particularly drawn to [Company/Organization Name] due to [specific reason related to the company or its projects], and I am excited about the opportunity to contribute to your innovative work.

I look forward to the opportunity to discuss how my skills and passion for biotechnology can be a valuable addition to your team. Thank you for considering my application. I can be reached at [Your Phone Number] or [Your Email].

Sincerely,

[Your Name]
