Hiring Manager

ABC Biotechnology Company

456 Corporate Blvd

City, State, Zip Code

Dear Hiring Manager,

I am writing to express my interest in the Biotechnology Marketing Internship position at ABC Biotechnology Company as advertised on your careers page. With a strong academic background in biotechnology and a growing passion for marketing within the life sciences sector, I am excited about the opportunity to contribute to your team while gaining valuable experience.

Currently, I am pursuing a Bachelor's degree in Biotechnology at XYZ University, where I have developed a solid understanding of the industry. My coursework in marketing principles, combined with my involvement in several projects focused on market analysis for biotech products, has equipped me with essential skills in research and communication.

At XYZ University, I led a team in a case study competition regarding market entry strategies for new biotech innovations. This experience helped me hone my analytical skills and foster a collaborative spirit. I am confident that my ability to synthesize complex scientific information into relatable marketing content would be an asset to your company.

I am particularly drawn to the innovative projects at ABC Biotechnology Company and admire your commitment to advancing healthcare solutions. I am eager to bring my enthusiasm for biotechnology and my marketing skills to your esteemed company.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your team during this internship. I can be reached at (123) 456-7890 or johndoe@example.com to schedule a conversation.

Sincerely,

John Doe
