Dear [Recipient's Name],

I am writing to express my interest in the internship position in Agricultural Biotechnology at [Company/Organization Name], as advertised on [where you found the internship]. I am currently pursuing a [Your Degree] in [Your Major] at [Your University], and I am eager to apply my knowledge and skills in a practical setting.

Throughout my academic career, I have gained a solid foundation in the principles of biotechnology and plant sciences. I have been particularly involved in [mention any relevant projects, coursework, or experiences], which have equipped me with hands-on skills and a strong passion for agricultural innovation.

I am excited about the opportunity to work alongside professionals in the field and to contribute to [specific projects or goals of the company]. I believe that my strong work ethic, willingness to learn, and enthusiasm for agricultural biotechnology make me a great fit for this internship.

Thank you for considering my application. I look forward to the possibility of discussing my candidacy further. I have attached my resume for your review.

Sincerely,

[Your Name]
