Dear [Hiring Manager's Name],

I am writing to express my interest in the internship position in Pharmaceutical Biotechnology at [Company's Name] as advertised on [where you found the internship posting]. With my academic background in [Your Major/Field] and my passion for biotechnology, I am eager to contribute to your team and gain valuable industry experience.

During my studies at [Your University], I have developed a strong foundation in biopharmaceuticals, molecular biology, and drug development processes. In addition, I have completed projects on [mention any relevant projects or experiences] which provided me with practical skills that I believe would be beneficial for your organization.

I am particularly impressed by [mention something specific about the company or its projects] and I am excited about the opportunity to work with a team that is dedicated to advancing health solutions through biotechnology. I am a quick learner, a team player, and am committed to applying my knowledge towards innovative solutions in the pharmaceutical field.

Thank you for considering my application. I look forward to the possibility of discussing my application in further detail. I have attached my resume for your review. Please feel free to contact me at [Your Phone Number] or [Your Email].

Sincerely,
[Your Name]
