Dear [Hiring Manager's Name],

I am writing to express my interest in the internship position in Telecommunications Engineering at [Company Name] as advertised on [where you found the listing]. Currently, I am pursuing a degree in Telecommunications Engineering at [Your University] and am eager to apply my knowledge and skills in a practical setting.

During my academic career, I have gained a solid foundation in telecommunications principles, signal processing, and network design. My coursework and hands-on projects have equipped me with skills in [mention relevant skills or technologies]. I am particularly drawn to [specific project or aspect of the company], and I am excited about the opportunity to contribute to your team.

I am a motivated and detail-oriented individual, which I believe will be an asset in the fast-paced environment at [Company Name]. I am eager to learn from the experienced professionals within your organization and enhance my understanding of the telecommunications sector.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to [Company Name] during an interview. Please find my resume attached for more details on my academic background and experience.

Sincerely,  
[Your Name]
