Dear [Recipient Name],

I am writing to express my interest in the Marine Biology Internship Program at [Organization Name] as advertised [where you found the internship posting]. I am currently a [Your Year, e.g., sophomore] studying [Your Major] at [Your University], and I am eager to gain hands-on experience in marine research and conservation.

Throughout my academic career, I have developed a strong foundation in biology and environmental science, complemented by my coursework in marine ecosystems and aquatic biology. My [mention any relevant experience, e.g., volunteer work, research projects, etc.] has equipped me with practical skills that I am excited to apply in a real-world setting.

I am particularly drawn to [mention any specific projects or values of the organization] and believe that my passion for marine life and commitment to conservation aligns well with the goals of your program. I am eager to contribute to your team as well as learn from the experienced professionals at [Organization Name].

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further and hope to contribute to the important work being done at [Organization Name].

Sincerely,

[Your Name]
